THE CUSTOMER'S ATTENTION IS DRAWN TO SPECIFIC CLAUSES HEREOF WHICH EXCLUDE OR LIMIT

THE COMPANY'S LIABILITY AND THOSE WHICH REQUIRE THE CUSTOMER TO INDEMNIFY THE COMPANY IN CERTAIN CIRCUMSTANCES AND THOSE WHICH LIMIT TIME AND THOSE WHICH DEAL WITH CONDITIONS OF ISSUING EFFECTIVE GOODS INSURANCE BEING CLAUSES 8, 10, 11(A) AND 11(B)

12-14 INCLUSIVE, 18-20 INCLUSIVE, AND 24-27 INCLUSIVE

All headings are indicative and do not form part of these conditions

DEFINITIONS AND APPLICATION

1 In these conditions the following words shall have the following meanings:-

2(A) Subject to sub-paragraph (B) below, all and any activities of the Company in the course of business, whether gratuitous or not, are undertaken subject to these conditions.

(B) If any legislation, to include regulations and directives, is compulsorily applicable to any business undertaken, these conditions shall, as regards such business, be read as subject to such legislation, and nothing in these conditions shall be construed as a surrender by the Company of any of its rights or immunities or as an increase of any of its responsibilities or liabilities under such legislation, and if any part of these conditions be repugnant to such legislation to any extent, such part shall as regards such business be overridden to that extent and no further.

3 The Customer warrants that he is either the Owner, or the authorised agent of the Owner and, also, that he is accepting these conditions not only for himself, but also as agent for and on behalf of the Owner.

THE COMPANY

4(A) Subject to clauses 11 and 12 below, the Company shall be entitled to procure any or all of the services as an agent, or, to provide those services as a principal.

(B) The Company reserves to itself full liberty as to the means, route and procedure to be followed in the performance of any service provided in the course of business undertaken subject to these conditions.

5 When the Company contracts as a principal for any services, it shall have full liberty to perform such services itself, or, to subcontract on any terms whatsoever, the whole or any part of such services.

6(A) When the Company acts as an agent on behalf of the Customer, the Company shall be entitled, and the Customer hereby expressly authorises the Company, to enter into all and any contracts on behalf of the Customer as may be necessary or desirable to fulfil the Customer's instructions, and whether such contracts are subject to the trading conditions of the parties with whom such contracts are made, or otherwise.

(B) The Company shall, on demand by the Customer, provide evidence of any contract entered into as agent for the Customer. Insofar as the Company may be in default of the obligation to provide such evidence, it shall be deemed to have contracted with the Customer as a principal for the performance of the Customer's instructions.

7 In all and any dealings with HMRC for and on behalf of the Customer and/or Owner, the Company is deemed to be appointed, and acts as, Direct Representative only.

8(A) Subject to sub-clause (B) below, the Company:

(i) has a general lien on all Goods and documents relating to Goods in its possession, custody or control for all sums due at any time to the Company from the Customer and/or Owner on any account whatsoever, whether relating to Goods belonging to, or services provided by or on behalf of the Company to the Customer or Owner. Storage charges shall continue to accrue on any Goods detained under lien;

(ii) shall be entitled, on at least 28 days notice in writing to the Customer, to sell or dispose of or deal with such Goods or documents as agent for, and at the expense of, the Customer and apply the proceeds in or towards the payment of such sums;

(iii) shall, upon accounting to the Customer for any balance remaining after payment of any sum due to the Company, and for the cost of sale and/or disposal and/or dealing, be discharged of any liability whatsoever in respect of the Goods or documents.

(B) When the Goods are liable to perish or deteriorate, the Company's right to sell or dispose of or deal with the Goods shall arise immediately upon any sum becoming due to the Company, subject only to the Company taking reasonable steps to bring to the Customer's attention its intention to sell or dispose of the Goods before doing so.

9 The Company shall be entitled to retain and be paid all brokerages, commissions, allowances and other remunerations customarily retained by, or paid to, freight forwarders.

10(A) Should the Customer, Consignee or Owner of the Goods fail to take delivery at the appointed time and place when and where the company is entitled to deliver, the Company shall be entitled to store the Goods, or any part thereof, at the sole risk of the Customer or Consignee or Owner, whereupon the Company's liability in respect of the Goods, or that part thereof, stored as aforesaid, shall wholly cease. The Company's liability, if any, in relation to such storage, shall be governed by these conditions. All costs incurred by the Company as a result of the failure to take delivery shall be deemed as freight earned, and such costs shall, upon demand, be paid by the Customer.

(B) The Company shall be entitled at the expense of the Customer to dispose of or deal with (by sale or otherwise as may be reasonable in all the circumstances):-

(i) after at least 28 days notice in writing to the Customer, or (where the Customer cannot be traced and reasonable efforts have been made to contact any parties who may reasonably be supposed by the Company to have any interest in the Goods) without notice, any Goods which have been held by the Company for 90 days and which cannot be delivered as instructed; and (ii) without prior notice, any Goods which have perished, deteriorated, or altered, or are in immediate prospect of doing so in a manner which has caused or may reasonably be expected to cause loss or damage to the Company, or third parties, or to contravene any applicable laws or regulations.

11(A) No insurance will be effected except upon express instructions given in writing by the Customer and accepted in writing by the Company, and all insurances effected by the Company are subject to the usual exceptions and conditions of the policies of the insurers or underwriters taking the risk. Unless otherwise agreed in writing, the Company shall not be under any obligation to effect a separate insurance on the goods, but may declare it on any open or general policy held by the Company.

(B) Insofar as the Company agrees to effect insurance, the Company acts solely as agent for the Customer, and the limits of liability under clause 26(A) (ii) of these conditions shall not apply to the Company's obligations under clause 11.

12(A) Except under special arrangements previously made in writing by an officer of the Company so authorised, or made pursuant to or under the terms of a printed document signed by the Company, any instructions relating to the delivery or release of the Goods in specified circumstances (such as, but not limited to, against payment or against surrender of a particular document) are accepted by the Company, where the Company has to engage third parties to effect compliance with the instructions, only as agents for the Customer.

(B) Despite the acceptance by the Company of instructions from the Customer to collect freight, duties, charges, dues, or other expenses from the Consignee, or any other Person, on receipt of evidence of proper demand by the Company, and, in the absence of evidence of payment (for whatever reason) by such Consignee, or other Person, the Customer shall remain responsible for such freight, duties, charges, dues, or other expenses.

(C) The Company shall not be under any liability in respect of such arrangements as are referred to under sub-clause (A) and (B) hereof save where such arrangements are made in writing, and in any event, the Company's liability in respect of the performance of, or arranging the performance of, such instructions shall not exceed the limits set out in clause 26(A) (ii) of these conditions.

13 Advice and information, in whatever form it may be given, is provided by the Company for the Customer only. The Customer shall indemnify the Company against all loss and damage suffered as a consequence of passing such advice or information on to any third party.

14 Without prior agreement in writing by an officer of the Company so authorised, the Company will not accept or deal with Goods that require special handling regarding carriage, handling, or security whether owing to their thief attractive nature or otherwise including, but not limited to bullion, coin, precious stones, jewellery, valuables, antiques, pictures, human remains, livestock, pets, plants. Should any Customer nevertheless deliver any such goods to the Company, or cause the Company to handle or deal with any such goods, otherwise than under such prior agreement, the Company shall have no liability whatsoever for or in connection with the goods, howsoever arising.

15 Except pursuant to instructions previously received in writing and accepted in writing by the Company, the Company will not accept or deal with Goods of a dangerous or damaging nature, nor with Goods likely to harbour or encourage vermin or other pests, nor with Goods liable to taint or affect other Goods. If such Goods are accepted pursuant to a special arrangement, but, thereafter, and in the opinion of the Company, constitute a risk to other goods, property, life or health, the Company shall, where reasonably practicable, contact the Customer in order to require him to remove or otherwise deal with the goods, but reserves the right, in any event, to do so at the expense of the Customer.

16 Where there is a choice of rates according to the extent or degree of the liability assumed by the Company and/or third parties, no declaration of value will be made and/or treated as having been made except under special arrangements previously made in writing by an officer of the Company so authorised as referred to in clause 26(D).

THE CUSTOMER

17(A) The Customer warrants:

(i) that the description and particulars of any Goods or information furnished, or services required, by or

on behalf of the Customer are full and accurate, and

(ii) that any Transport Unit and/or equipment supplied by the Customer in relation to the performance of any requested service is fit for purpose, and

(B) that all Goods have been properly and sufficiently prepared, packed, stowed, labelled and/or marked, and that the preparation, packing, stowage, labelling and marking are appropriate to any operations or transactions affecting the Goods and the characteristics of the Goods.

(C) that where the Company receives the Goods from the Customer already stowed in or on a Transport Unit, the Transport Unit is in good condition, and is suitable for the carriage to the intended destination of the Goods loaded therein, or thereon, and

(D) that where the Company provides the Transport Unit, on loading by the Customer, the Transport Unit is in good condition, and is suitable for the carriage to the intended destination of the Goods loaded therein, or thereon.

19 The Customer undertakes that no claim shall be made against any director, servant, or employee of the Company which imposes, or attempts to impose, upon them any liability in connection with any services which are the subject of these conditions, and, if any such claim should nevertheless be made, to indemnify the Company against all consequences thereof.

20 The Customer shall save harmless and keep the Company indemnified from and against:-

(A) all liability, loss, damage, costs and expenses whatsoever (including, without prejudice to the generality of the foregoing, all duties, taxes, imposts, levies, deposits and outlays of whatsoever nature levied by any authority in relation to the Goods) arising out of the Company acting in accordance with the Customer's instructions, or arising from any breach by the Customer of any warranty contained in these conditions, or from the negligence of the Customer, and (B) without derogation from sub-clause (A) above, any liability assumed, or incurred by the Company when, by reason of carrying out the Customer's instructions, the Company has become liable to any other party, and

(C) all claims, costs and demands whatsoever and by whomsoever made or preferred, in excess of the liability of the Company under the terms of these conditions, regardless of whether such claims, costs, and/or demands arise from, or in connection with, the breach of contract, negligence or breach of duty of the Company, its servants, sub-contractors or agents, and (D) any claims of a general average nature which may be made on the Company.

21(A) The Customer shall pay to the Company in cash, or as otherwise agreed, all sums when due, immediately and without reduction or deferment on account of any claim, counterclaim or set-off.

(B) The Late Payment of Commercial Debts (Interest) Act 1998, as amended, shall apply to all sums due from the Customer.

22 Where liability arises in respect of claims of a general average nature in connection with the Goods, the Customer shall promptly provide security to the Company, or to any other party designated by the Company, in a form acceptable to the Company.

LIABILITY AND LIMITATION

23 The Company shall perform its duties with a reasonable degree of care, diligence, skill and judgment. 24 The Company shall be relieved of liability for any loss or damage if, and to the extent that, such loss or damage is caused by:-

(A) strike, lock-out, stoppage or restraint of labour, the consequences of which the Company is unable to avoid by the exercise of reasonable diligence; or

(B) any cause or event which the Company is unable to avoid, and the consequences of which the Company is unable to prevent by the exercise of reasonable diligence.

25 Except under special arrangements previously made in writing by an officer of the Company so authorised, the Company accepts no responsibility with regard to any failure to adhere to agreed departure or arrival dates of Goods.

26(A) Subject to clause 2(B) and 11(B) above and sub-clause (D) below, the Company's liability howsoever arising and, notwithstanding that the cause of loss or damage be unexplained, shall not exceed (i) in the case of claims for loss or damage to Goods:

(a) the value of any loss or damage, or

(b) a sum at the rate of 2 SDR per kilo of the gross weight of any Goods lost or damaged whichever shall be the lower.

(ii) subject to (iii) below, in the case of all other claims:

(a) the value of the subject Goods of the relevant transaction between the Company and its Customer, or

(b) where the weight can be defined, a sum calculated at the rate of two SDR per kilo of the gross weight of the subject Goods of the said transaction, or

(c) 75,000 SDR in respect of any one transaction, whichever shall be the least.

(iii) in the case of an error and/or omission, or a series of errors and/or omissions which are repetitions of or represent the continuation of an original error, and/or omission

(a) the loss incurred, or

(b) 75,000 SDR in the aggregate of any one trading year commencing from the time of the making of the original error, and/or omission, whichever shall be the lower.

(B) Subject to clause 2(B) above and sub-clause (D) below, the Company's liability for loss or damage as a result of failure to deliver, or arrange delivery of goods, in a reasonable time, or (where there is a special arrangement under Clause 25) to adhere to agreed departure or arrival dates, shall not in any circumstances whatever exceed a sum equal to twice the amount of the Company's charges in respect of the relevant contract.

(C) Save in respect of such loss or damage as is referred to at sub-clause (B), and subject to clause 2(B) above and Sub-Clause (D) below, the Company shall not in any circumstances whatsoever be liable for indirect or consequential loss such as (but not limited to) loss of profit, loss of market, or the consequences of delay or deviation, however caused.

(D) On express instructions in writing declaring the commodity and its value, received from the Customer and accepted by the Company, the Company may accept liability in excess of the limits set out in sub-clauses (A) to (C) above upon the Customer agreeing to pay the Company's additional charges for accepting such increased liability. Details of the Company's additional charges will be provided upon request.

27(A) Any claim by the Customer against the Company arising in respect of any service provided to the Customer, or which the Company has undertaken to provide, shall be made in writing and notified to the Company within 14 days of the date upon which the Customer became, or ought reasonably to have become, aware of any event or occurrence alleged to give rise to such claim, and any claim not made and notified as aforesaid shall be deemed to be waived and absolutely barred, except where the Customer can show that it was impossible for him to comply with this time limit, and that he has made the claim as soon as it was reasonably possible for him to do so.

(B) Notwithstanding the provisions of sub-paragraph (A) above, the Company shall in any event be discharged of all liability whatsoever and howsoever arising in respect of any service provided for the Customer, or which the Company has undertaken to provide, unless suit be brought and written notice thereof given to the Company within nine months from the date of the event or occurrence alleged to give rise to a cause of action against the Company.

CONTRACT CONDITIONS FOR LOGISTICS

The Company is a member of UKWA, is not a common carrier, and provides all items and services on the following Conditions which can be varied only in writing by an Officer of the Company. If a Customer's acceptance document, purchase order or other documentation, received by the Company before or after notification of these Conditions, contains terms at variance with these Conditions, then every such term shall be of no effect.

IMPORTANT NOTE

PLEASE READ CONDITION 3 CAREFULLY. It has been included to relieve the Customer of the additional amount that the Company would need to charge to recover insurance costs (or an amount in lieu to reflect risk) were its liability not limited as provided for in Condition 3.

THE COMPANY'S OBLIGATIONS

1.1. The Company will provide its services with reasonable skill and care. In the absence of prior written instruction to the Company giving sufficient detail, no particular precautions nor any special treatment need be taken or provided for the Goods.

1.2. In the case of bulk Goods, the Company may deal with and/or mix apparently similar goods consigned by or for the Customer without distinguishing between consignments.

1.3. In the case of carriage the Company's responsibility for the Goods starts when loading on the vehicle is complete and ends when the Goods are tendered for unloading. In the case of storage and / or processing it starts when they are accepted into store and ends when they are tendered for collection, or the Company becomes aware of the grounds for their removal under Condition 2.2 or on the expiry of notice under Condition

7.1 or 7.2. Where the Company provides storage and carriage it shall also be responsible for the Goods while they are transferred from its vehicle into its store and vice versa. In the case of forwarding, the Company's responsibility is only to engage or propose apparently competent contractors and to give them adequate instructions in relation to the Goods; and in this case, or where the contract is for advice, it is not responsible for the Goods themselves.

1.4. The Company's duty is to the Customer only and not to any third party. Any advice given is for the Customer only.

1.5. Unless it states otherwise in writing, where the Company provides forwarding services it operates as the Customer's agent in engaging contractors to deal with the Goods.

CUSTOMER'S UNDERTAKINGS

2.1. It is a condition of the contract, and the Customer warrants and undertakes, that:-
2.1.1 It is either the owner of the Goods, or is authorised by the owner to accept these Conditions on the owner's behalf.

2.1.2 The Goods shall be presented to the Company (and/or anyone else dealing with them) securely and properly packed in compliance with any applicable statutory regulations, recognised standards and best practice and are and will remain in a condition to be safely handled, stored and/or carried and so as not to cause injury, damage, contamination or deterioration (or the possibility of them) to any person, premises, equipment or to any other items in any way.

2.1.3 Before the Company assumes any responsibility for or by reference to the Goods, the Customer will inform the Company in writing of any relevant matters; including any special precautions necessitated by the nature, weight or condition of the Goods and any statutory or other duties specific to the Goods with which the Company or others may need to comply; and will promptly after invoicing pay the Company's reasonable extra charges for complying.

2.1.4 It will promptly after invoicing reimburse all duties, taxes and expenses that the Company may be required to pay in respect of the Goods including where the liability to pay them arises due to the fault, other act or omission of the Company or its employees or sub-contractors.

2.1.5 Except to the extent previously notified in detail to, and accepted by, the Company in writing none of the Goods: are hazardous or contaminated; may cause pollution of the environment or harm to human health if they escape from their packaging; require any official consent or licence to handle, possess, deal with or carry; will at any time whilst in the care or control of the Company constitute Waste.

2.1.6 Where the Company is carrying the Goods, the Customer will provide a risk assessment and method statement appropriate for the Goods and any location in which they are being handled. Unless otherwise previously agreed the Customer will provide suitable facilities and equipment for, and will procure, safe and prompt loading and unloading of the Goods. The Customer will pay demurrage at the Company's standard rate if the vehicle is delayed for more than 30 minutes beyond the time reasonably needed for loading or unloading; and demurrage and storage charges if delivery is refused.

2.1.7 It will comply with any reasonable regulations of the Company relating to handling, carriage, storage or forwarding of Goods (and ancillary matters) which are notified in writing from time to time.

2.1.8 Information given by or on its behalf shall be materially correct and complete.

2.2 The Customer will indemnify the Company against any loss or damage it suffers as a result of carrying out the Customer's instructions or which is related to any breach of the Customer's obligations, and will pay all costs and expenses (including professional fees) incurred in, and the Company's reasonable charges for, dealing with

the breach and its consequences. The Customer will pay an extra charge equal to the amount of any fine or penalty payable by the Company wholly or partly as a result of a breach by the Customer. If the Company suspects a breach of Condition 2, it may refuse to accept the Goods, demand their immediate removal, or itself arrange their removal without notice, at the Customer's expense.

INSURANCE AND THE COMPANY'S LIABILITY FOR LOSS

3.1 Except as provided in Condition 3.5, the Company does not insure the Goods and the Customer shall self-insure or make arrangements to cover the Goods against all insurable risks to their full insurable value (including all duties and taxes) with any right for the insurer to bring a subrogated claim against the Company being excluded.

3.2 Subject to Condition 3.3, the Company excludes all liability for Loss however arising. 3.3 If and to the extent that Loss is directly caused by negligence or wilful act or default of the Company, its employees (acting in furtherance of their duties as employees) or sub-contractors or agents (acting in

furtherance of their duties as sub-contractors or agents) and subject to Conditions 3.4, 3.7 and 3.8, the Company will accept liability for Loss assessed on normal legal principles but not exceeding the Limit fixed by Condition 3.5. Any quantification of value includes duties and taxes.

3.4 In no case shall the Company be liable for any lost profit, income or savings, wasted expenditure, or indirect or consequential loss.

3.5 In no case shall any liability of the Company (including inter alia any liability in respect of duties and taxes) exceed the Limit, fixed as follows:-

3.5.1 The Customer may specify the Limit as an amount (in Sterling, US Dollars or Euros) per tonne weight by notice

in writing stating the Limit and the nature and maximum value of the Goods, including duty and taxes. The Limit nominated by the Customer shall apply in respect of any cause of action arising after the Date. It is a condition

of the contract that the Customer pays within 7 days of receipt the Company's invoices for its costs in insuring against its potential liability up to the Limit, and/or to the extent that the Company elects to carry the risk itself, its extra charge equivalent to the estimated or likely cost of such insurance.

3.5.2. If the Company having made reasonable efforts is unable to obtain insurance on reasonable terms to cover its liability up to the Limit nominated by the Customer, or if the Customer has not yet paid any invoice issued under Condition 3.5.1, the Company may give 7 days written notice, and the Limit for causes of action arising after expiry shall be £100 sterling per tonne.

3.5.3 Unless and until a higher Limit has been fixed under Condition 3.5.1 and continues in effect, the Limit shall be £100 sterling per tonne.

3.6 Without prejudice to the Company's rights under Condition 6 to be paid free from deduction or set-off, any limitation of liability on the part of the Company shall be applied to any claim by the Customer before any set off or counterclaim is asserted against money due to the Company.

3.7.1 The Company shall not be liable for any claim unless: it has received written notice of it within 10 days of the event giving rise to the claim coming to the knowledge of the Customer or consignee; and it has received within 21 days of the event giving rise to the claim coming to the knowledge of the Customer or consignee sufficient detail in writing to enable investigation. In the case of failure to deliver, time shall run from the first working day after the expected date of delivery.

3.7.2 No legal proceedings (including any counterclaim) may be brought against the Company unless they are issued and served within 9 months of the event giving rise to the claim.

3.8 The Company shall not be liable for any Loss to the extent that it is caused or contributed to by a breach of any of the Customer's obligations in Condition 2, or by any of the circumstances by virtue of which the Company is relieved of its obligations under Condition 8.

3

EMPLOYEES, SUB-CONTRACTORS AND OTHERS

4.1 The Company shall be entitled to sub-contract all or any part of its obligations and in this event these Conditions shall apply to such services. Where storage is subcontracted the Company will on request notify the Customer of the location of the Goods.

4.2 No Interested Party will make a claim or issue proceedings in respect of Loss against any Additional Party.

4.3 Without prejudice to Condition 4.2, if an Additional Party pays or is liable to make a payment to an Interested Party in connection with a claim for Loss, the Interested Party will fully indemnify the Company against any claim (including all costs and expenses) by the Additional Party against the Company for reimbursement of, contribution to or indemnity against that payment to the extent that it exceeds the Limit applicable at the time of the event giving rise to the claim.

CHANGE OF CUSTOMER

5. The Customer may give written authority for the Goods or any part to be transferred to the account of another party on condition that before the effective date of the transfer the other party notifies the Company in writing that it is to become the Customer and is to be bound by these Conditions and by any notice given under Condition 3 and will pay the Company's charges for the period after the effective date. The Customer will pay the charges for the period until the later of the effective date or receipt and acceptance by the Company of the other party's written notification. The Goods remain subject to any lien which applies at the time of transfer.

CHARGES, PAYMENTS AND LIEN

6.1 The Company's charges are subject to VAT and may be increased by prior notice to the Customer. The notice shall be at least 7 days for increases reflecting any rise in fuel costs and at least 21 days otherwise. The Company has the right to charge for storage of the Goods for so long as it has custody of or is responsible for

them.

6.2 The charges shall be paid free of any deduction or set-off at such periodic intervals as may have been agreed between the parties and in any event on the earlier of (a) the expiry of any agreed period of credit and (b) the time immediately before any of the Goods cease to be in the Company's care or control.

The Company shall be entitled to payment for carriage at the time the Goods are loaded onto the vehicle.

6.3 Interest shall be paid on money overdue to the Company at the rate of 2% for each calendar month during all or part of which it is overdue.

6.4 The Company shall (on its own behalf and as agent for any assignee of its invoices) have a general and particular lien on the Goods (and any associated documentation or records) as security for payment of all sums (whether due or not) claimed by the Company from, or invoiced to, the Customer or another Interested Party on any account (relating to the Goods or not), or otherwise claimed in respect of the Goods or other property of an Interested Party. Storage shall be charged for any goods detained under lien.

TERMINATION

7.1 The Goods shall be removed by the Customer at the time agreed between the parties. The Company may at any time by notice in writing to the Customer require the removal of the Goods within 14 days from the date of such notice or, in the case of perishable goods, within 3 days.

7.2 Where the Customer fails to comply with Condition 7.1, or any payment from the Customer is overdue, the Company may, without prejudice to its other rights and remedies against the Customer, notify the Customer in writing that the Goods may be sold or otherwise disposed of at the Customer's entire risk and expense if such payment is not made and/or such Goods are not removed within 21 days, or in the case of perishable goods within 3 days, from the date of such notice. On expiry of the period, if such payment has not been made and/or the Goods have not been so removed the Company may sell or otherwise dispose of the Goods or any part at the Customer's entire risk and expense by an appropriate method, and any proceeds of sale or disposal shall be remitted to the Customer after deduction of all expenses and all amounts claimed by the Company and any assignee of its invoices.

FORCE MAJEURE

8. The Company shall be relieved of its obligations to the extent that their performance is prevented or delayed by, or their non-performance results wholly or partly from, the act or omission of the Customer or its agent or an Interested Party (including any breach by the Customer of these Conditions) or by storm, flood, fire, explosion, civil disturbance, governmental or quasi-governmental action, breakdown or unavailability of premises, equipment or labour, or other cause beyond the reasonable control of the Company.

4

GENERAL

9.1 Each exclusion or limitation in these Conditions exists separately and cumulatively.
