- *With reference to goods arriving via DHL, FedEx, TNT, and UPS unless clearance instructions are provided in advance, they will tend to clear all goods as **home use** (paying import DUTY and VAT).*
- *When pre-alerts are sent in advance, we can have better control over the shipment. In the pre-alert we must have a copy of the AWB and invoice including vessel name PO number & HS Codes.*
- ***Please avoid using UPS and TNT where possible because they do not contact us for clearance instructions and in 99% of the cases, they will automatically pay DUTY and VAT which we would then have to pass on to you.***
